

Turtleback Elementary Student Savings Program

Turtleback Elementary is proud to announce a continuing partnership with Mission Federal Credit Union to provide ***Mission 2 \$AVE***, a savings program for our students!

Mission 2 \$ave offers a convenient and consistent way for students to learn how to save and to understand the value of money. Students can participate in the ***Mission 2 \$AVE*** program by opening a Youth Savings Account with Mission Fed. The ***1st and 3rd Friday of every month from 7:45am – 8:15 am***, students can bring cash and coin right to school to make deposits (as little as 25 cents) into their Mission Fed savings account. For every student deposit, they'll receive a special reward. Students will receive a savings passbook and can check their account online to watch their savings grow!

Information and account application forms will be available at the *Turtleback Elementary Office*. It's a smart start toward a bright future.

Mission Federal Credit Union is a San Diego based not-for-profit credit union dedicated to helping members of all ages reach their financial goals. At Mission Federal, ***Your Mission is Our Mission***. For complete program information and requirements, please visit www.MissionFCU.org, or contact Nancy Morris at nancym@missionfcu.org.
